

School Awards 2020-2021

Ephesians Recitation Award

Every year, Mrs. Martin challenges our 6th grade students to cap off their time in Grammar School by reciting the entire book of Ephesians over the course of the year. This feat requires a great deal of personal responsibility, diligence, and determination. For only the second time in PCS history, a student has completed this daunting challenge.

Congratulations to the 2020-2021 winner!
