

## **School Awards 2021-2022**

### **Ephesians Recitation Award**

Every year, Mrs. Martin challenges our 6th grade students to cap off their time in Grammar School by reciting the entire book of Ephesians over the course of the year. This feat requires a great deal of personal responsibility, diligence, and determination. For only the third time in PCS history, a student has completed this daunting challenge.

**Congratulations to the 2021-2022 winner!**
