

School Awards 2021-2022

National Mythology Exam

The National Mythology Exam is sponsored by the American Classical League and given annually to over 9,000 students in approximately 400 schools nationally and internationally. At PCS, this exam is an optional academic competition for students in Grades 3-12, and students must prepare on their own, outside of school hours, in addition to their regular course work. Exam requirements are based on the grade level of the student.

Congratulations to the 2021-2022 winners!
